BROYHILL LAUNCHES ATTIC RETREAT COLLECTION

HIGH POINT, NC – October 22, 2011 – Broyhill Furniture is launching the Attic Retreat Collection, a whole home collection for the bedroom, dining room and living room.

This rustic collection has a weathered finish, subtle shaping and generous posts in a mink finish on oak solids and veneers and hardwood solids. But it's the modern details and conveniences that make this collection especially appealing with features like storage, media center removable backs, cedar lined dresser drawers and power-touch dimmers in nightstands.

Bedroom

The bedroom group includes a choice of panel bed (with optional footboard storage with two drawers) or sleigh bed, drawer dresser, drawer chest, landscape mirror, media chest and night stand. Drawers have full extension metal side glides and English dovetailing. Cases are curved with generous dramatic posts and hardware is made of blackened bronze bar pulls and knobs. Dressers feature a cedar lined bottom drawer and the nightstand features a power touch dimmer for easy one-touch lighting.

Dining Room

The dining room has a choice of a leg table, featuring an 18" butterfly-leaf to extend length to 78", or a counter table featuring a butterfly-leaf to create a 42" x 60" rectangular surface. Chairs are available in a ladder back style with Broyhill Performance Leather™ upholstered seats in arm or side styles.

Full upholstered linen arm or side chairs are also available. The server has a distinctive curved shape and features a silverware tray in the top drawer. An optional metal rack can be purchased to mount the server.

Living Room

Occasional tables were designed with an eclectic mix of hardware to complement the weather mink finish. Two cocktail tables have drawers and casters, while the versatile two-drawer sofa table can be used as usual or with media function. A modern media center, perfect for a flat screen TV, is 60" wide with adjustable shelves, a storage drawer and a convenient magnetic back that is removable for easy wiring access.
