**BROYHILL INTRODUCES MIRREN POINTE
AND MIRREN HARBOR COLLECTIONS**

HIGH POINT, NC – April 17, 2010 – Broyhill is introducing Mirren Pointe and Mirren Harbor, an island-inspired collection of wood furniture for the [dining room](#), [bedroom](#) and [living room](#). The collection offers wood solids and veneers, distinguished by two distinctive finish colors and a name variation: Mirren Pointe features a rich chocolate brown finish while Mirren Harbor features a white finish inspired by seaside retreats.

Casual and timeless design elements across the collections include streamlined silhouettes, louvered details, wood knobs and British Colonial inspired carvings. And, all items are available in both finishes offering a wide range of possibilities for the whole home.

Consumer testing reflected interest in both the casual and more formal dining room pieces, with strong feedback that the collection is seen as high quality, well-built and a value. Dining room options include items for a more casual setting with a storage counter height table (with drawer and wine rack under storage to make the most of small dining rooms), slat back counter stools, a server with a finished top which can serve as a buffet or be paired with the top deck. More traditional dining items like a leg table with storage drawers on the ends, arm and side chairs with a hatch cross design and a full size china cabinet complete the dining room. Additionally, a unique 36" round counter table with four stools that nest under the table and a kitchen island with a pull-out table extension offer unique smaller footprint dining options for the kitchen or open-floor plans.

The collection offers a variety of beautiful bedroom furniture with visual focus going to a louvered panel bed with carved detail on the headboard. Alternatively, a more basic curved panel bed matches the assortment. A drawer dresser and a door dresser with arched mirror, a drawer chest and night stands are also offered. Completing the bedroom assortment are a media chest for TVs and storage, a drop front writing desk and an upholstered bed bench.

Rounding out the Mirren Pointe and Mirren Harbor collections are pieces that serve in a variety of rooms: an entertainment console in a 43" or 60" version and an assortment of occasional tables including a square lamp table, rectangular cocktail table, end table, sofa table and square cocktail table.
