BRIDGE YOUR DESIRE FOR GLAMOUR AND PRACTICAL SOLUTIONS.

Affinity is filled with nostalgic reminders of classic 1920s and 1930s interiors, updated with a touch of contemporary styling. The dark, high luster Café finish and silverplate knobs complement the straight lines and step moldings, while the collection's proportions work well in small-scale interiors as well as expansive master suites. And you'll find plenty of storage and display options to help you minimize clutter and display special collections.

Construction Features: In selecting materials for the Affinity collection, designers and engineers at Broyhill design products that use a combination of selected hardwood and softwood solids, cherry and other hardwood veneers, and wood and/or simulated products. Certain parts, simulated wood carvings and/or other decorative embellishments may be made of simulated wood components.

Product availability and specifications are subject to change without notice. At best, finish photography is a representation of the actual finish and cannot reproduce the depth, clarity and beauty of the actual furniture.
